TK TECH

Full Auto Vacuum EPS Shape Molding Machine

TK TECH all-round machine series

-. Application: Shock-absorption packaging material for home appliance & industrial sensitive product, Component of Automobile/Electronic goods, Fruit & fish transportation container, etc.

-. High quality & reliability vacuum type product manufacturing machine

-. High performance and production efficiency by minimum operator

-. Various product shape available

-. Easy & simple shape mold change system

-. Fast & short pressurized filling system

-. Short cycle time & energy saving system

-. Advanced Touch Screen Control system for friendly and easy operation

-. Central vacuum system available (option)

*** Insulation Concrete Form available

SPECIFICATION

MODEL NO.	UINT	TK-1212	TK-1213	TK-1214	TK-1216	TK-813	TK-1013	TK-1018
