WS EQUIPMENT

2025 PRICE LIST*

**Price list valid from 1 January until 31 December 2025.*

MICROWELDING.COM

WS 5100s

Microwelding equipment WS 5100s - (220 V / 50-60 Hz / 1-phase) including :

- WS 5100S generator – Av. freq. 5 KHz. - 2 KA – Spot. Freq 12 pulse/sec
- Uncooled microwelding Torch 35 mm² - Length 1,7m
- Uncooled ground cable 75 mm² - Length 1.7m
- Foot pedal control - Length 2m
- Set of electrodes (type, nature and size adaptable to specifications)
- Cooper ground plate

PRICE OF COMPLETE EQUIPMENT : 6 590 €

WS 7000s

Microwelding equipment WS 7000s - (220 V / 50-60 Hz / 1-phase) including :

- WS 7000S generator - Av. freq. 5 KHz. - 3 KA – Spot. Freq 16 pulse/sec
- Microwelding Torch 75 mm² with air cooling system - Length 1,7m
- Microwelding Torch 35 mm² with air cooling system - Length 1,7m (on specification)
- Ground cable 75 mm² with air cooling system - Length 1.7m
- Foot pedal control - Length 2m
- Set of electrodes (type, nature and size adaptable to specifications)
- Cooper ground plate

PRICE OF COMPLETE EQUIPMENT : 9 950 €

WS 10 000

Microwelding equipment WS 10 000 - (220 V / 50-60 Hz / 1-phase) including :

- WS 10 000 generator - Av. freq. 5 KHz. - 4 KA – Spot. Freq 25 pulse/sec
- Microwelding Torch 35 mm² with air cooling system - Length 1,7m (on specification)
- Microwelding Torch 75 mm² with air cooling system - Length 1,7m
- Ground cable 75 mm² with air cooling system - Length 1.7m
- Foot pedal control - Length 2m
- Set of electrodes (type, nature and size adaptable to specifications)
- Cooper ground plate

PRICE OF COMPLETE EQUIPMENT : 11 800 €

WS 10 000s

Microwelding equipment WS 10 000s – (220 V / 50-60 Hz / 1-phase) including :

- WS 10 000s generator - Av. freq. 5 KHz. - 4 KA – Spot. Freq 50 pulse/sec
- Microwelding Torch 35 mm² with air cooling system - Length 1,7m (on specification)
- Microwelding Torch 75 mm² with air cooling system - Length 1,7m
- Ground cable 75 mm² with air cooling system - Length 1.7m
- Foot pedal control - Length 2m
- Set of electrodes (type, nature and size adaptable to specifications)
- Cooper ground plate

PRICE OF COMPLETE EQUIPMENT : 12 500 €

INFORMATION

Document valid from 1 January until 31 December 2025. Sets of equipment given as an example. The prices given in the current pricelist are for information only and may be changed without prior notification. Options are extra price. Price EXW Bordeaux / France (Delivery charges excluded).
